#### Narrative:

On 01/03/23, at approximately 1700 hours, I was working as the Desk Agent at the Lakewood Police Department, located at 445 S Allison Parkway in Lakewood, Colorado. Per a Sergeant's request, I contacted Garrett Piatt (DOB 10/31/78) in reference to a menacing that occurred this morning involving his neighbor, Desiree Gonzalez (DOB 02/22/80).

Garrett advised that he, his wife Abebech Piatt (DOB 03/28/83), and their infant child live at 12449 W Idaho Drive. Desiree lives with her retired parents directly across the street from Garrett and Abebech at 12450 W Idaho Drive. This morning at approximately 0750 hours, Garrett was getting into his truck that was parked in the driveway to leave for work when he noticed Desiree was in her front yard "mean mugging" him. Garrett advised that Desiree was "hunched over" on the west side of her house near their trash cans while she was staring at him. Desiree continued to stare at Garrett while he was getting ready and then stood up and "flashed a gun from her waistband" at him. Garrett advised that Desiree was wearing sweatpants, unknown in color, and the gun appeared to be a handgun that was black in color. Garrett was unable to identify any additional physical characteristics of the gun. Garrett advised that Desiree "didn't fully muzzle" him but she did point it in his direction. Garrett advised that Desiree was "directly across" the street from where he was standing in his driveway, leaving him exposed to the gun without cover. Garrett advised that he had not even opened his door fully when Desiree pulled the gun. Desiree never spoke to Garrett during the encounter but maintained eye contact with him while she pulled the gun out. Garrett advised that he immediately felt fear for his life and safety. However, Garrett chose not to report it this morning since he knows Desiree has a history of mental health related issues and did not immediately take her seriously.

I asked Garrett why he didn't believe having a gun pointed at him was concerning and he advised that he was "used to weird behavior" over at the Gonzalez residence. I asked Garrett to elaborate, and he advised me that he has seen Desiree come out of the house not wearing clothing or "sagging her pants" so low that it nearly exposes her genitalia. Garrett also advised that the residence has also allowed transients to live in their backyard or in the basement with Desiree. I advised Garrett that those things might take getting used to but did not explain why he did not believe having a gun pointed at him was concerning. Garrett advised that he did not know why he did not take the threat seriously this morning and thought that he was possibly in too much of a rush to get to work. Garrett also provided the reasoning that he is a gun owner and knows his way around firearms, which could have factored into why he did not feel like the incident needed to be reported. Garrett did advise that the encounter stuck with him

throughout the day and had him worried about what else could possibly happen.

Later in the afternoon, at approximately 1600 hours, Garrett's wife Abebech was in the living room with their young daughter when she observed Desiree outside again. Desiree was in her own front yard but was staring at Abebech through their front windows and making her feel incredibly uncomfortable. Desiree again started pulling on her sweatpants waistband, showing the gun to Abebech while staring at her. Desiree never pointed the gun at Abebech but she told Garrett that she felt immense fear for her and their daughter's safety. Abebech left the room and immediately called Garrett to tell him about the strange encounter. Abebech was inside of her home for the duration of the encounter, behind the walls and the windows. Abebech observed Desiree through her windows during the entire incident and never made an attempt to go outside or speak to Desiree. Garrett advised that knowing that Desiree made gestures towards his wife and child made him fearful for all of their safety and decided that he should contact the police about Desiree's behavior.

I asked Garrett if Abebech was available to speak to me about her own encounter, but he advised that she was currently with their daughter and was unavailable. I provided Garrett my contact information to have Abebech call me at her earliest convenience tonight. At the time of this report, Abebech never called me.

I asked Garrett if he had a security camera system that would have captured both events from today and he advised that he did have a Ring Camera subscription. However, Garrett advised that he did not opt into the paid subscription, so the footage does not record. Garrett advised that he was "kicking" himself for not paying "a few extra bucks" for the subscription since it could have helped provide evidence of the altercation. Garrett advised that he planned on reupping his subscription as soon as possible.

I asked Garrett what he knew about Desiree's mental health history, and he advised that Desiree's father, Mario, has told him several things about her past. Garrett advised that Mario sometimes "let's things slip" in conversation, so he and their surrounding neighbors have been able to "put two and two together." I asked Garrett what he meant, and he advised that based on a few things that Mario has mentioned, they have been able to draw their own conclusions. Garrett would not provide me with specific examples of the mental health related issues he was speaking about.

Garrett advised that Desiree has never had a positive viewpoint of him but has never responded in this manor towards him or his family. Garrett advised that he is incredibly concerned for the safety of his family and their surrounding neighbors and believes that Desiree is "a danger to the entire neighborhood." I asked Garrett if Desiree has ever made any forward comments about her dislike for him, but he advised that she has not. Garrett told me that Desiree rarely says hello to him if they are both outside and they do not have contact most days. I asked Garrett why Desiree would suddenly be so averse to him, and he advised that he did not know and believed it could be related to his political opinions.

Garrett later texted me a screenshot of a Twitter account advising that Abebech was scrolling Twitter and found a tweet thread posted from Desiree's account. One of the tweets contains Garrett's first and last name as well as his address in it. The tweet thread is listed in an order from the most recent posted to the oldest posted and states the following: Account: D.M.G @GetAWarrant1312

D.M.G: The gun the cops used as an excuse to arrest me / search my house –

guess who told me to get it. Yup. Lying Garrett Piatt. Set-up galore. Too bad for them I'm not even half as stupid as them all put together. Now I know why the Feds are on me. Everything makes sense now. #CoPolitics

D.M.G: He lives directly across the street from me. 1244 W Idaho Dr. Y'all should come say hi sometime, to me. (winky face emoji). I see the problem with HUD homes now. One of us doesn't belong in this neighborhood and it's not me.

D.M.G: I was wondering why the parade down my street stopped. There's no way they could have known about my new security system. My neighbor is a snitch lying to save his own ass. He'll be the one going to prison, not me. His name is Garrett Piatt and he loves Trump. #CoPolitics

The screenshot of the tweets was uploaded to Evidence.com.

I called Garrett again to clarify why these Tweets were posted. Garrett advised that he did not know of the reason and was unsure why Desiree would be angry with him when she was the person who pulled a gun on him. Garrett advised that he and his wife had started monitoring Desiree's twitter approximately 3 weeks ago during another law enforcement related contact. Garrett advised that they were "being nosy neighbors" and wanted to know what was going on. Garrett advised that Abebech was "aimlessly scrolling" and "happened upon" these tweets. However, the screenshot showed that the last tweet was posted "54 seconds" before the screenshot was taken.

I again asked Garrett if he had ever had any negative interactions with Desiree in the past and he advised me again that he had not. Garrett advised that Desiree's disdain for him and his family could stem from the fact that he voted for Trump in the last presidential election. According to Garrett, Desiree's family blames the Trump administration for the reason that Desiree now abuses drugs because she used to have access to opioids for different medical related issues. Garrett has never witnessed Desiree doing drugs but believes that she is an intravenous user for heroine. I asked Garrett how he knew about Desiree's drug use, and he advised that Desiree's father had mentioned in the past that she has Hepatitis, which lead him to believe that she contracted it from drug use. Garrett also advised that the residence has had an increase in transient traffic, so he thinks drug use could be stemming from that. Garrett advised that a trans female recently moved into the Gonzalez home as well by the name of April. I asked Garrett why that was important, and he advised that he had seen April walking to and from a car to the house carrying bags that appeared to be soft rifle carrying cases. Garrett did not recall how many carrying cases he saw but believed it to be concerning.

Garrett was provided with the case number and my contact information if he has any additional questions or comments for this report.

Garrett advised that he is more than willing to cooperate with law enforcement and advised that they can contact him at any time at his primary phone number, 720-756-9553.

Nothing further at this time.

### Narrative:

On Thursday, January 5, 2023, at approximately 1030 hours, I attended a briefing about a search of a residence at 12450 West Idaho Drive, Lakewood, CO, related to a menacing call that occurred on 01/03/2023. I was tasked to help CSA Olander with evidence collection and inventory documentation. The search team remained at the Lakewood Police Department to await scene clearance by SET.

At approximately 1115 hours, following clearance by SET, Detective Poellot, Detective Paisley, and I arrived at 12450 West Idaho Drive and met with the rest of the search team. Detectives searched the residence with scene documentation provided by CSA Olander while I remained outside of the residence. During the search, I documented the following items on a Property/Evidence Report that CSA Olander seized as evidence:

- 3 boxes of 12-gauge ammo, taken from the garage.
- Miscellaneous types of ammo taken from the garage.
- Miscellaneous types of ammo taken from the basement.

The search of the residence was completed at approximately 1310 hours. A copy of the Property/Evidence Report was not left at the residence. However, I was advised that Detective Langley would provide a copy of the Property/Evidence Report to the homeowner(s) at a later time. CSA Olander transported the seized evidence to the Lakewood Police Department Crime Lab for subsequent booking into Property/Evidence. Please see CSA Olander's report for more details.

For more information, see digital images, the Property/Evidence Inventory Report, and reports by other investigators.

I took no further action, and this concludes my involvement.

On January 5, 2023, at approximately 1045 hours, I responded to 12450 W. Idaho Dr. to assist with a search warrant in regards to a felony menacing call. When I arrived on scene, I pulled my unmarked black police vehicle into the driveway of the target address. I activated the emergency lights, and a male came out of the residence. He was cooperative and said his daughter Desiree Gonzalez (022280) and his wife were not inside the residence.

Agents were advised that there were numerous dogs and cats in the residence. Due to the aggressive nature of 2 of the dogs, I followed the male into the residence. He secured one of the aggressive dogs in a back bedroom and the other was already in the sunroom. I then cleared the residence with other Agents to make sure there was no one hiding inside, and the area was free of any hazards or dangers.

I went outside of the residence, and saw Desiree and her mother arrive in their vehicle. Agents initially spoke with Desiree and told her we were executing a search warrant. Desiree said she would stay in her vehicle and watch everything from outside. After Agents finished speaking with Desiree, I was advised that if she would give permission, we would like to search her car. Agent Hinterreiter, Allen, and I walked back over to Desiree and her mother who were still parked in their vehicle.

Agent Hinterreiter spoke with Desiree about the taser in her vehicle, and asked if there were any other weapons. Desiree asked if we wanted to search her vehicle, and she was advised we would if she was okay with it. Desiree said she was fine with Agent searching her vehicle and patting her down.

I assisted with the search of vehicle with other Agents. I checked the back passenger area, as well as the trunk of the vehicle. I did not locate any weapons or ammunition or any other suspected illegal contraband. After I was finished assisting with the search, I cleared the call and that ended my involvement.

### Narrative:

On January 5, 2023 I assisted other detectives in executing a search warrant at 12450 W Idaho Dr. Detective Langley advised that he'd secured a search warrant for the residence as part of the investigation which permitted a search for firearms and ammunition. During a briefing prior to the search, detectives were advised that the interior of the home was potentially contaminated with animal feces. As a precaution, I chose to wear an N95 mask during the execution of the warrant.

I arrived at the residence at about 1122 hours and staged with other detectives while the residence was cleared. Photographs were taken by Crime Scene Technician Olander prior to my entering the residence at about 1140 hours. I was tasked with searching several areas in the residence. I began in the upper level of the residence. I searched the main level bedroom on the northeast corner of the residence. This room was off a hallway leading from the living room area and had an attached bathroom whose only entrance was from the bedroom. I searched the bathroom and found nothing of evidentiary value. Detective Gibson and I searched the bedroom. While crouching to inspect a floor vent at about 1202 hours, my vest (where my bodycam was mounted) pressed against my leg. This inadvertently pressed the button on front of my bodycam, ending the recording. I heard the noise of the bodycam turning off and immediately turned it back on so that the recording resumed.

Detective Gibson and I then crossed the hall to the southeast room (on the right side of the same hallway). This room had a cat sleeping on a cat bed and appeared to be primarily an office or storage area. I then moved to a sunroom on the south side of the residence, which I entered through a sliding door from the kitchen area. The room had a TV and several couches inside.

After searching this room, I went into the unfinished basement storage area and systematically searched several shelving areas, bookcases, and boxes. For a detailed account of what was searched, please review bodycam footage.

I did not locate anything of evidentiary value in any area I searched, and I did not seize any evidence. I exited the residence at about 1308 hours and left the scene a short time later. The two bodycam videos from my time at the residence were uploaded to evidence.com.

I have no further information regarding the details of this case.

On 01/05/22, I was asked to assist with the execution of a search warrant at 12450 W. Idaho Dr. regarding a felony menacing investigation. Detective Langley briefed me, and other assisting detectives and I was informed that we would be searching the residence for firearms and live ammunition.

I responded to the residence at approximately 1140 hours and assisted with searching the kitchen and a bedroom on the upper floor. No items of evidentiary value were located. I then moved to the basement and assisted in searching a large room that appeared to be used for storage. While searching a wooden storage shelf located on the South wall, I found a cardboard box in the middle bottom cubby. Inside the box I found multiple credit cards belonging to Desiree Gonzales. I also found a circular glass container with several live .22 rounds inside. These items were given to the crime lab technician on scene. No other items of evidentiary value were located during my search.

I cleared the scene at approximately 1255 hours.

Nothing further.
